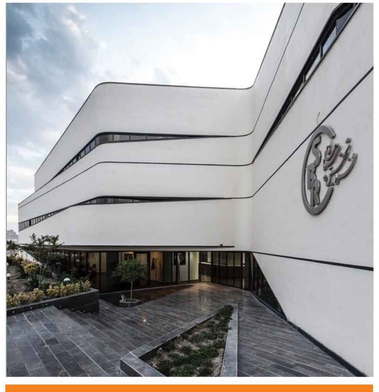
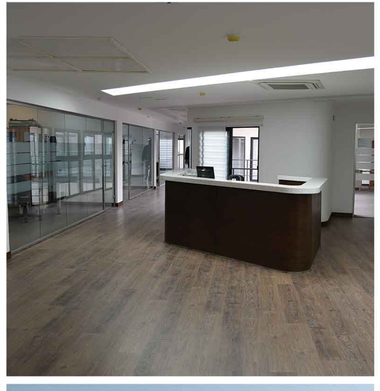
Major Projects

Client : Gol-e-Gohar
Project Type : EPC
Location : Sirjan
plant specifiation
Technology : Outotec
Capacity : 5 Mtpy
Start : 2012
End : 2016
Status : in operation

GOL-E-GOHAR PELLETIZING

Plant No.2 on EPC Basis



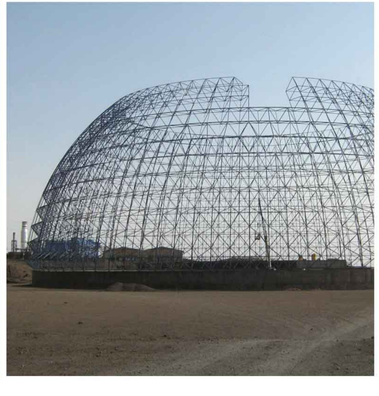


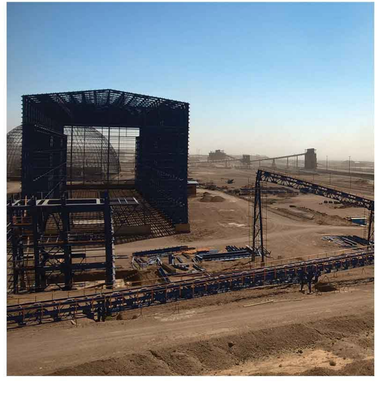
SBR Building

Owner: SBR.Co
Project Type : EPC
Location: Science & Technology Town
State date: 2013
Description: 2,800 m^2
End: 2015

Sangan Iron Ore Concentrare Plant on EPC Basis

Owner : Khorasan Steel Company
Project Type : Engineering
Location : Sangan
Technology : Outotec
Capacity : 5 Mtpy
Start : 2014
Status : in progress



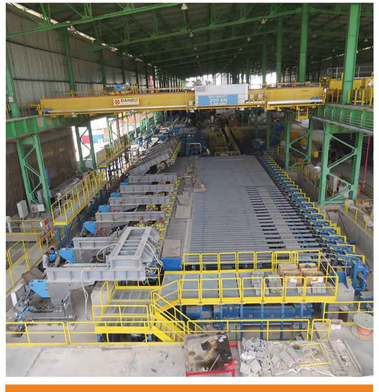


Foolad Sang Lime Plant on EPC Basis

Client : MSC
Project Type : EPC
Location :Isfahan
Technology : Chisaki
Capacity : 2x400 tpd
Start : 2012
End : 2018
Status: in operation

Gohar Zamin Pelletizing Plant on EPC Basis

Owner : Gohar Zamin
Project Type : Engineering
Location : Sirjan
Technology : Outotec
Capacity : 5 Mtpy
Start : 2014
Status : in progress

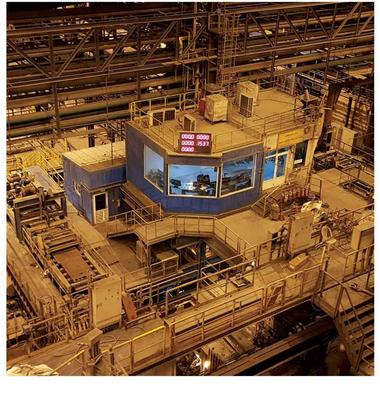


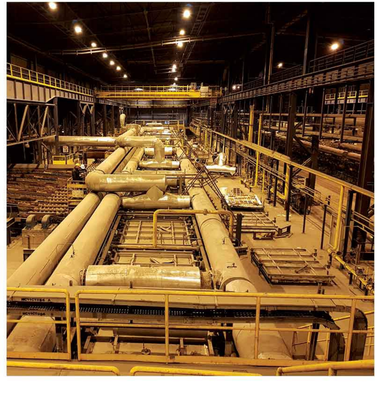
MIDA Steel Making & HRM at SRSC

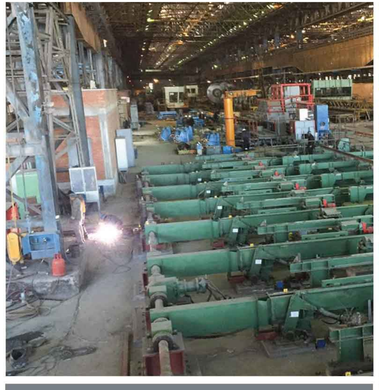
Client : SRSC
Project Type : Engineering
Location : Dezful
Technology : Danieli
Capacity : 450,000 tpy
Start : 2014
End: 2018
Status : in operation

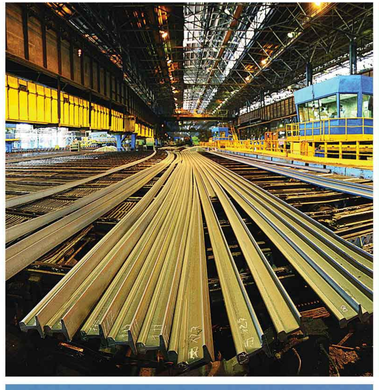
SABA Steelmaking (CSP) Plant Expansion

Client : MSC
Project Type : MC
Location : Isfahan
Technology : Danieli
Capacity : 1.7 Mtpy
Start : 2012
End : 2018
Status : in operation







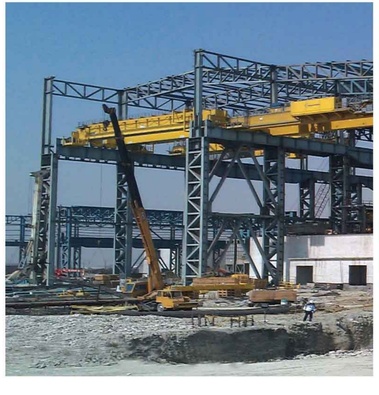


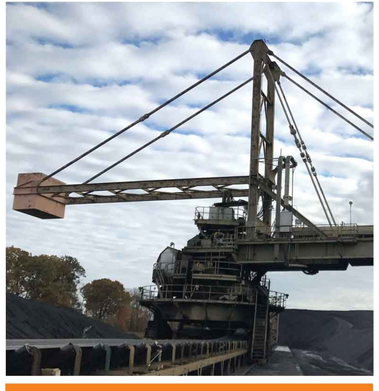
Reconstruction Existing RM650 to Produce Rail U33, UIC 60

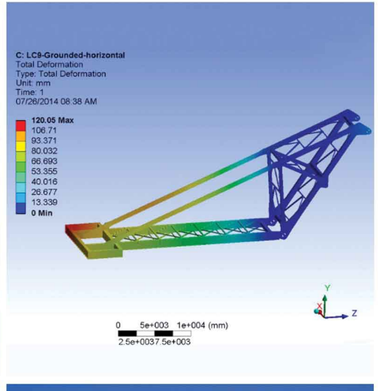
Client : ESC
Project Type : MC
Location : Isfahan
Technology : Kuttner
Capacity : 240,000 tpy
Start : 2014
End : 2018
Status : in operation

Yazd I steel Making Plant

Client : IASCO
Project Type: Engineering
Location : Yazd
Technology : Saralle
Capacity : 700,000 tpy
Start : 2014
End : 2016
Status : Finished





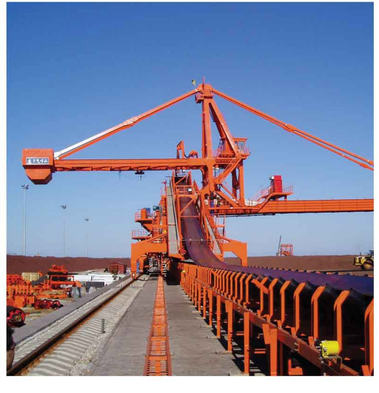


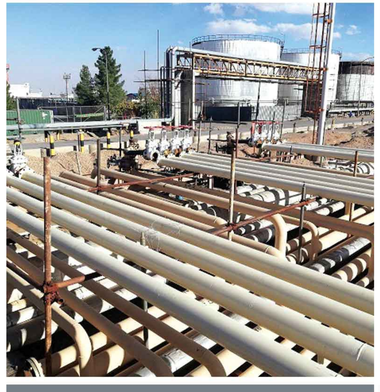
Stacker-Reclaimer Frame Design

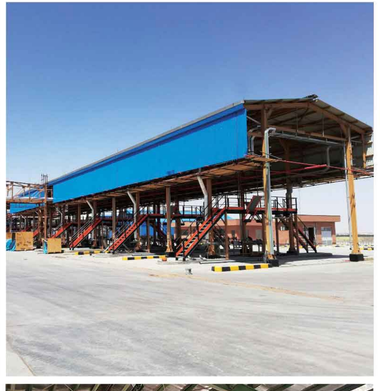
Client : Ashton Bulk
Project Type : Engineering
Location : Australia
Capacity : 7,200 tph
Mat. conveying : Coal
Start : 2015
Status : Finished

Stacker-Reclaimer Frame Design

Client : Ashton Bulk
Project Type : Engineering
Location : Australia
Capacity : 10,000 tph
Mat. conveying : Coal
Start : 2015
Status : Finished





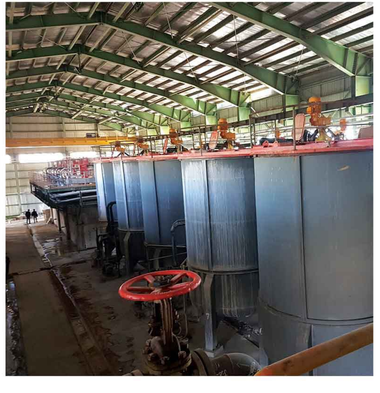


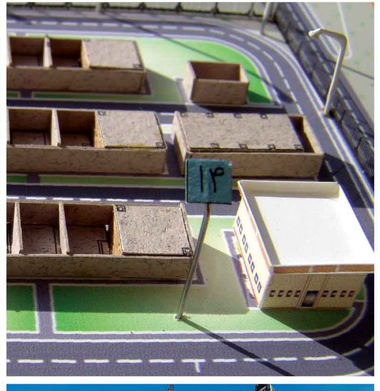
Esfahan Refinery- Loading Petroleum Product

Client: Esfahan Refinery
Project Type: EPC
Location: Isfahan
Start: 2016
Status: in Progress

Zinc Concentrate Production by BZS Method

Client : Calcimin
Project Type : EPC
Location : Zanjan
Capacity : 320 tph
Start : 2016
End : 2018
Status : in operation



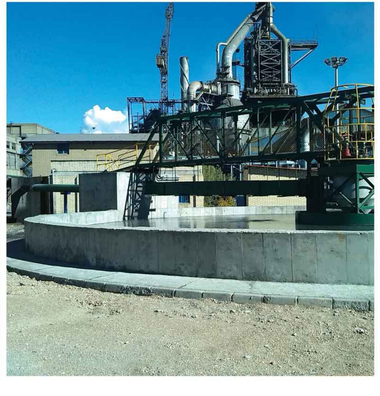


Qazvin MSW Leachate Treatment Plant

Client : Qazvin Municipility
Project Type : Engineering & supervision
Location : Qazvin
Hydraulic Capacity : 60 m^3pd
Process Capacity : 30 m^3pd
Start /End Engineering : 2007-2009
Strat/End Supervision : 2011-2015

Settler for Steel making & Coke making

Client : ESCO
Project Type : Engineering & Supervision
Location : Isfahan
Start : 2015
End : 2016
Status : in operation



Material Handling for DR Plant

Client : MMTE
Owner : NISICO
Project Type : Engineering
Location : Sabzevar
Capacity : 1 Mtpy
Mat. Handled : DRI & Pellet
Start : 2008
End : 2012
Status: in operation

Slab Continuous Casting Machine #5

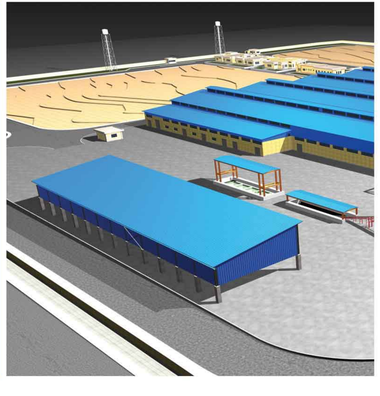
Client : MSC
Project Type : Engineering
Location : Isfahan
Technology :Xian
Capacity : 2 Mtpy
Start : 2014
End : 2016
Status : in operation

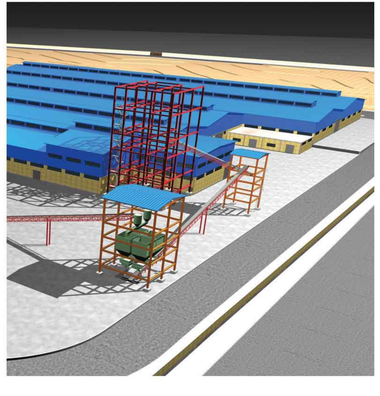
Direct Reduction Plant at Saqqez

Client : Mass Group
Project Type : MC
Location : Saqqez
Technology :Midrex
Capacity : 1 Mtpy
Start :2017
Status : in progress

Rock Wool Insulation Plant

Client: Ayegh Sepahan
Project type: Engineering
Location: Isfahan
Start: 2005
End: 2006
Status: in Operation





Material Handling for DR Plant

Client : MMTE
Owner : NISICO
Project Type : Engineering
Location : CHBK
Capacity : 1 Mtpy
Mat. Handled : DRI & Pellet
Start : 2008
End : 2012
